

Build It Green™ HOME TOUR

Marin and Sonoma Counties

Admission: \$10 per person.

For registration information,
visit www.BuildItGreen.org
or call **1-888-404-7336**.

SUNDAY, SEPTEMBER 25, 10^{AM} - 4^{PM} Marin and Sonoma Counties

Don't miss the first **Build It Green Home Tour in Marin and Sonoma Counties!** Seventeen homeowners from Mill Valley to Santa Rosa will open their doors and introduce attendees to techniques and products used to build their green homes.

This innovative tour will showcase diverse homes that were built or remodeled utilizing sustainable, durable products and practices that deliver high quality, healthy, and comfortable homes. Participating in the tour will give you an inside view of some of the Bay Area's greenest homes.

HOME TOUR ORGANIZERS:

See houses that look great, save money, and are easier on the environment.

Discover how a home can be "greened" whatever your budget or taste.

Meet homeowners and building professionals who have built and remodeled green.

Check out a wide array of green features installed in homes:

- Radiant-floor heating systems
- Bamboo, cork and concrete flooring
- Solar electric and hot water systems
- Reclaimed and sustainably harvested wood
- Recycled wood decking...*and much more!*

Attend workshops. See other side for Fall 2005 Green Building Workshop Calendar.

GREEN BUILDING WORKSHOP CALENDAR: Fall 2005

Learn about the latest green building practices, products and technologies. If you are a homeowner or building professional, we have informative workshops that will inspire and help you create healthier, more comfortable, and energy and resource-efficient homes that will sustain and enhance the quality of your life, your home and the environment.

Registration for all workshops is required. Online registration is available at www.BuildItGreen.org or you can call Taleesha Becker at Build It Green, (510) 845-5106 ext. 222.

For course descriptions and presenter bios, please visit www.BuildItGreen.org.
